

Presents

2018 Summer Bioinformatics Intensive Internship

Application terms and conditions:

- Space is limited and acceptance into the internship is competitive based on who is a good candidate and will benefit most from the program.
- This course requires a strong commitment to attendance. Interns who attend a minimum of 90% of the course will receive a Certificate of Completion.
- Students to bring their own laptop.
- We ask interns attend the next New Mexico Bioinformatics, Science and Technology (NMBIST) Symposium (NMBIST 2019). Mandatory for New Mexico students.
- By completing the application below, you agree to the terms and conditions listed above.

1. Full name:

2. Gender:

3. College/University:

4. Current year of study (i.e. sophomore, 2nd year Master's):

Estimated graduation date:

5. Advisor's name:

6. Is your advisor affiliated with NM-INBRE INBRE (outside NM) COBRE RCMI

Not Applicable

7. Do you have a dataset you would like to analyze? If so, please describe (e.g. 10 samples of 2x50 Illumina reads approximately 20M reads each).

8. What type of analysis are you interested in? Gene expression? Mutation analysis? sRNA expression analysis, etc?

9. What are your academic and career goals?

10. If selected, I will take the Linux/Unix **prerequisite**? (Mandatory to be in the running)

Yes No If No, explain:

11. NM-INBRE (preference), INBRE, COBRE and RCMI affiliates who need assistance with expenses may apply for a competitive travel/lodging scholarship.

I am an affiliate of either NM-INBRE, COBRE, or RCMI and I wish to apply for a competitive travel/lodging scholarship.

I am an affiliate but I am not applying for a scholarship.

I am not an affiliate and therefore cannot apply for a scholarship.

12. Additional comments and considerations

Please include separate attachments of the following to complete your application:

1. Letter of recommendation (LOR) from your advisor/mentor/PI describing why you are a good candidate for the course.

LOR attached

LOR to be sent from my reference directly via email to Ichavez@ncgr.org

2. Your CV or resume (please include contact information: a permanent mailing address, best phone number, email).

CV/resume attached

Submit your application packet to Lisana Chávez, Program Associate at Lchavez@ncgr.org
